2019 — Now

Coordinator at Les Bavards du Droit
Bénin

Les Bavards du Droit is a project I set up with my colleagues at the University of Abomey-Calavi in Benin. The aim is to promote legal concepts and make them understandable to everyone. The aim is to promote legal concepts and make them understandable to everyone.

Side Projects

Ongoing

Ecoblog

Ecoblog is the 1st green civic tech in Benin that encourages citizen participation in public decision-making on the environment, through the creation of digital content.

Ongoing

Billets Verts

In this series of blog posts and podcasts, I look at this issue, particularly in its international and global dimension. Identifying the shortcomings of international environmental law as it currently operates, and in particular proposing alternatives to improve the fight against global warming.
